

this dazzling new volume features three classic novels from the early years of Pern—Dragonsdawn, Dragonseye, and Moreta. The spectacular planet Pern seems a paradise to its new colonists—until unimaginable terror turns it into hell. Suddenly deadly spores are falling like silver threads from the sky, destroying everyone and everything they touch. Pern is in mortal danger. The only thing that can stop the Thread is the fire from Pern’s flying dragons. Now, the colonists must join forces with the dragons to burn the Thread before the parasite devours any and all organic life—and turns lush Pern into a barren wasteland. On Dragonwings traces the story of the early generations on Pern. From the colonists who first created the fire-breathing dragons for protection, through the rise of the dragonriders, these three novels set readers on a daring quest to protect a beautiful and extraordinary planet. In Anne McCaffrey's New York Times bestselling Dragonseye, join Weyrleaders, Holders, and Craftmasters in the creation of the legendary Star Stones and the teaching ballads of Pern! It's been two hundred years since the deadly Thread fell like rain upon Pern, devouring everything in its path. No one alive remembers that first horrific onslaught and no one believes in its return—except for the dragonriders. For two centuries they have been practicing and training, passing down from generation to generation the formidable Threadfighting techniques. Now the ominous signs are appearing: the violent winter storms and volcanic eruptions that are said to herald the approach of the Red Star and its lethal spawn. But one stubborn Lord Holder, Chalkin of Bitra, refuses to believe—and that disbelief could spell disaster. So as the dragonriders desperately train to face a terrifying enemy, they and the other Lord Holders must find a way to deal with Chalkin—before history repeats itself and unleashes its virulence on all of Pern. . . . Critical evaluation, based on the data collected from colleges in Madurai, Tamil Nadu, of the use of Tamil as the medium of instruction in colleges.
