\* If you're heading to the Smokies, you'll need this guidebook! \* All the trails, camping information, and best attractions for visitors of Great Smoky Mountain National Park This guidebook offers a mix of day hikes and overnight backpacking trails, and expanded natural history and background information on the Smoky Mountains, making it the most complete guidebook to the region. Divided into sections covering Tennessee and North Carolina, the guide is arranged so that all of the Tennessee trails can be done with a link, via the Newfound Gap Road, to the North Carolina trails and vice versa. All trails are grouped by access point, and each hiking description includes mileage, elevation change, difficulty rating, camping information, cautions, links to other trails, and attractions. Special lists cover

the best waterfalls, stands of old-growth forest, historic structures, wildflower spots, and mountain views. Additional chapters feature information on geology, flora and fauna, park history, and more. Life in the Smoky Mountains - Gatlinburg Through the Eyes of a Local is a collection of newspaper columns Adriana Zoder has been writing for The Mountain Press since 2011. In simple and direct words, Zoder shares what living in Gatlinburg is like during tourist season and outside of it. The topics vary from attractions to hiking to no-smoking signs on the playground. As you read, you will experience Gatlinburg throughout the year through the eyes of a local and learn a few things you did not know about this mega tourist destination. This guide features 82 hikes within Great Smoky Mountains National Park, America's most visited national park. It is completely revised and updated. It's no surprise that fatalities occur every year in Great Smoky Mountains National Park due to the sheer number of visitors--more than ten million annually! In these cautionary tales, Bradley recounts deaths and other unfortunate incidents that have resulted from accidents and human folly, including bear attacks, swift water disasters, and mysterious disappearances. Armchair travelers and park visitors alike will be fascinated by the dangers lurking in America's most visited national park and will be better informed about what to do and what not to do the next time they enter its gates. Four novellas filled with love, families, and pets. It's easy to fall in love with the characters in the fictional town of Laurel, North Carolina, with the Smoky Mountains providing the perfect backdrop for falling in love. Minty's Kiss A childhood crush and a lost kitten combine for one sweet Christmas romance. When Molly retreats to North Carolina with Gracie, her ten-year-old daughter, she's surprised to find her childhood crush, Nick, still living in the area. Recovering from a divorce, Molly only wants to carve out a peaceful and happy existence for Gracie in a place where Molly always felt safe as a child. The morning after her return, Nick, more handsome than she remembered, shows up at her cabin where she

spent her childhood vacations. The flush of first love surprises Molly, and Nick is shocked to discover the grown-up Molly. One small kitty named Minty helps Gracie accept the love developing between Nick and Molly in time for her first Christmas in the mountains of North Carolina, but only after learning that life doesn't always turn out how we want. Misty Mountain Broken hearts and broken promises need time and love to heal. When Lacy and George begin dating, each of them keeps a shield around their hearts. Lacy's been hurt so many times, she's afraid to let another man come close. George, reeling from a bitter divorce, doesn't trust women for fear they're all like his ex-wife. Working together at Misty Mountain in a small town in the foothills of the Smoky Mountains creates its own set of problems, especially when the ex-wife moves into town. Lacy's family history causes further complications when too many want to remind her of her sister's bad reputation and subsequent death. It's a complicated mess, but the attraction between Lacy and George keeps them coming back to simpler solutions. If they can put down their shields long enough to discover the love growing between them, then nothing will stand in their way to finding happiness. Mountain Miracles Strangers meet in a small mountain town and discover no one remains a stranger for very long in the Smoky Mountains. When Sissy moves to the mountains, she's determined to follow her dream of owning a business by opening a coffee shop, right next door to a new paper starting up at the same time. The handsome publisher, David, and Sissy discover an irresistible attraction to one another, but first, they must deal with mothers who aren't always as they seem. After her mother has a stroke, Sissy must take care of her, and David must find out the truth behind his Cherokee mother's disappearance when he was five. When Sissy tries to help David, he views her assistance as interference as he fights for his legacy. As both of them seek the comfort of family they've never known, they struggle to forgive, allowing the attraction to turn into something more. A Merry Mountain Christmas First love returns to the Smoky

Mountains with a little help from a rescue dog named Chester. Fran is adjusting after her husband's death when her first love comes back to town upsetting her family and leading her to an inspiration. Fran first fell in love with Michael as a teenager. When he broke her heart, she married Carl and lived a happy life for more than thirty years until Carl died tragically. Just when she's becoming fed up with the well-meaning, yet tiresome comments about Carl's death, her first love returns and stirs long-forgotten emotions. You'll love this sweet Christmas tale featuring rescue dogs and love returning just in time for the merriest holiday of all. Grab your copy today of *Smoky Mountain Romances* for four novellas and cozy up to the fire for some wholesome family fun and a whole lot of love. *Hiking Trails of the Great Smoky Mountains* is an essential guide to one of America's most breathtaking and rugged national parks. The second edition of this compellingly readable and useful book is completely updated, giving outdoor enthusiasts the most current information they need to explore this world-renowned wilderness. Included here are facts on more than 125 official trails recognized by the Park Service. Each one has its own setting, purpose, style, and theme, and author Kenneth Wise describes them in rich and vivid detail. For every route, he includes a set of driving directions to the trailhead, major points of interest, a schedule of distances to each one, a comprehensive outline of the trail's course, specifics about where it begins and ends, references to the U.S. Geological Survey's quadrangle maps, and, when available, historical anecdotes relating to the trail. His colorful descriptions of the area's awe-inspiring beauty are sure to captivate even armchair travelers. Organized by sections that roughly correspond to the seventeen major watersheds in the Smokies, Wise starts in Tennessee and moves south into North Carolina, with two major trails—the Lakeshore and the Appalachian—that traverse several watersheds treated independently. Further enhancing the utility of this volume is the inclusion of the Great Smoky Mountains' official trail map as well as an informative

introduction filled with details about the geology, climate, vegetation, wildlife, human history, and environmental concerns of the region. A seasoned outdoorsman with more than thirty years of experience in the area and codirector of the Great Smoky Mountains Regional Project at the University of Tennessee, Knoxville, Wise brings an exceptional depth of knowledge to this guide. Both experienced hikers and novices will find this newly revised edition an invaluable resource for trekking in the splendor of the Smokies. About 50 aircraft have crashed in the Great Smoky Mountains. This book details all known incidents and rescue efforts from 1920 to 2000, including those that occurred within the area before the establishment of the park in 1934. Stories are based on official documents, newspaper archives, and interviews with survivors, family members, and eyewitnesses. B & w photos are included. Wadley is a lieutenant colonel in the Tennessee Civil Air Patrol who serves as a mission coordinator and trainer in the Smoky Mountains. McCarter served as a backcountry ranger in Great Smoky National Park for 20 years. Annotation copyrighted by Book News Inc., Portland, OR. Sacred to the Cherokee, logged by entrepreneurs and preserved by visionaries, the highest peak in the Smoky Mountains has a diverse and varied history. A background intermingled with discovery, war, spirituality, tragedy, inspiration and natural beauty, Clingmans Dome stands sentinel over Great Smoky Mountains National Park. Secret, untold and unique stories unravel through the intriguing details that go beyond the iconic spiral observation deck to include the adjoining areas so intrinsically linked. Illustrated with photographs and presented in a straight forward and easy to read format, the fascinating insight provides a unique perspective into this distinctive peak and the surrounding slopes. In the shadows of Clingmans Dome, a great national park evolved, the idea for the Wilderness Society was kindled, Cherokee hid to avoid the Trail of Tears, a two thousand mile hiking trail crests no higher and a postage stamp featured the magnificent artwork supplied by the setting sun. Rising above the

Southern Appalachians to an elevation of 6,643 feet, the early history of the summit was influenced by Native Americans and European Explorers, the landscape modernized by the Civilian Conservation Corps and Mission 66, and the natural beauty is currently under attack by a nearly microscopic intruder. Known to the Cherokee as Kuwahi and the early European settlers as Smoky Dome, the story of what is now the most accessible peak in the Smoky Mountains is captured. The remarkable history of Clingmans Dome is revealed highlighting the fascinating natural, historical and cultural gem that stands prominently over the Smoky Mountains. The Great Smoky Mountains National Park is among the most visited national parks in the country, and countless attractions around its borders have tried for decades to siphon some of those valuable tourist dollars. From ersatz western towns and concrete dinosaurs to misplaced Florida-type attractions and celebrity theaters, you will find them all preserved in this book. Author Tim Hollis showcases those businesses that no longer exist, from Hill-Billy Village in Pigeon Forge and Gatlinburg's theme parks on the Tennessee side to the motels of Cherokee and Ghost Town in the Sky on the North Carolina side. Four women in the Smoky Mountains in the late 1800s-early 1900s meet monthly to work on a midwives' quilt, sewing images as clues about remedies. They face a cloud of suspicion brought about by an ambitious preacher and a naive sheriff when a love story ends in tragedy and focuses suspicion on one of the midwives for the murder. Welcome to Bryson City, a small town tucked away in a fold of North Carolina's Smoky Mountains. The scenery is breathtaking, the home cooking can't be beat, the Maroon Devils football team is the pride of the town, and you won't find better steelhead fishing anywhere. But the best part is the people you're about to meet in the pages of Bryson City Seasons. In this joyous sequel to his bestselling Bryson City Tales, Dr. Walt Larimore whisks you along on a journey through the seasons of a Bryson City year. On the way, you'll encounter crusty mountain men, warmhearted townspeople, peppery

medical personalities, and the hallmarks of a simpler, more wholesome way of life. Culled from the author's experiences as a young doctor settling into rural medical practice, these captivating stories are a celebration of this richly textured miracle called life. "The whole book is delightful. My only criticism: there wasn't enough of it!" Margaret Brand, MD, co-laborer with Dr. Paul Brand in leprosy work in India

On Sara's camping trip to the Great Smoky Mountains National Park, "she becomes the first human ever to witness a Salamander Ball."--Cover. Includes illustrations and information on fifteen types of salamanders. In the first book in the Smoky Mountain Dreams series, acclaimed author Sandra Robbins weaves a tale of love, loss, and God's faithfulness in every circumstance. Anna Prentiss has never wanted to be anything but a nurse. Before she can start school in New York, however, her brother sends her to Cades Cove, deep in the Smoky Mountains, to spend a summer apprenticing to the local midwife. Anna is determined to prove herself and then head to the big city. But nothing could have prepared Anna for the beauty of the Cove, or the community and friendships she finds there. And she certainly wasn't prepared for Simon Martin, the handsome young minister, or the feelings he arouses in her. Has God's plan for Anna changed? Or is she just starting to hear Him clearly? The Great Smoky Mountains National Park is one of America's most beautiful and popular national parks. Located in the southern Appalachian Mountains of Tennessee and North Carolina, it is home to more than 100,000 species of plants and animals. The grandeur and sheer scale of the park has been captured in Donald W. Linzey's new book, *Natural History Guide to the Great Smoky Mountains National Park*. It is the most extensive volume available on the park's natural history. Written from the perspective of a naturalist who has spent over fifty years conducting research in the park, this volume not only discusses the park's plant and animal life but also explores the impact that civilization has played in altering the area's landscape. Linzey, who has been a major contributor to the All Taxa

Biodiversity Inventory, a concentrated effort to identify every species of plant and animal living within the park, draws from this deep reservoir of research. His book provides a thorough overview of everything a visitor to the park would need to know, without complex jargon. Both casual readers and those more interested in the ecology of the Great Smoky Mountains will find this book an enlightening and educational guide. Donald W. Linzey, a wildlife biologist and ecologist, is professor of biology at Wytheville Community College in Wytheville, Virginia. He is an authority on the mammals of the Great Smoky Mountains National Park and its environs. NEW EDITION COMING 2021! See *Hiking Great Smoky Mountains National Park, 3rd Edition* for the fully updated and revised authoritative guide to hiking in Great Smoky Mountains National Park. The Great Smoky Mountains National Park has some of the highest, oldest, and most picturesque mountains and ridges in the eastern United States. One of the most biologically diverse regions in North America--with thousands of species of plant and animal life--the park was designated an International Biosphere Reserve by the United Nations in 1976 and a World Heritage Site in 1983. In the fall of 1969 in the mountains of eastern Tennessee, a poor backwoods farmer and his wife were brutally shot and killed by four drunken hunters, along with their three dogs, horse and two fawns. The farmer's two young sons managed to escape but were unable to identify the killers. Now decades later, the murders of the Pender family remain unsolved. In Townsend, Tennessee, in Blount County, someone has decided to take revenge. Researchers from international institutions and industries offer 31 papers on COST actions, and aspects of networks and radio systems that can lead to everyone being accessible to everyone all the time anywhere in the world. Among the topics are flexible hybrid multiple access schemes for third-generation mobile radio systems, the status and prospects for personal communications in Japan, cell blocking performance for a dynamic channel allocation technique in future generation mobile satellite

systems, decision-directed and non-decision-directed channels state estimators for a slowly fading channel, and a revised analog model for the land mobile satellite channel. No index. Annotation copyright by Book News, Inc., Portland, OR

Who wants Rachel Davenport dead? Seth Hammond won't stop until he gets answers. Tapped by the FBI to find out who's targeting the heiress gives the former Tennessee bad boy the chance to atone for his past sins. But it's his future he's worried about when Seth finds himself falling for Rachel...who's in graver danger than anyone in their small mountain town of Bitterwood realizes. Ever since she was named CEO of her family business, strange things have been happening—terrifying incidents that could be tied to Rachel's violence-shadowed past. Seth's the only one who doesn't think she's losing her mind. Her intense, rough-around-the-edges protector has blindsided her with his passion. But Rachel also believes in Seth—believes he's a good man looking for redemption...and possibly love? No safety on high ground

Smoky Mountain Danger by April Arrington Taylor Holt was sure she and her rafting group—single dad Will Morgan and his daughter—could make it down the rapids of the Great Smoky Mountains. But when disaster strikes, Will and Taylor must depend on each other to survive. With Taylor's past still haunting her, can their tentative trust be enough to run a lethal gauntlet of dangers—and survive? Targeted for Revenge by Karen Kirst After she spent years in hiding, turning to mounted police officer Mason Reed for protection is the last thing Tessa Vitale thought she'd do—until her mafia family tracks her down. With her brother planning to kidnap her daughter and kill Tessa, her little girl's secret father is their only hope. But can the man she left behind put their past aside to save their daughter? 2 Thrilling Stories

Smoky Mountain Danger and Targeted for Revenge The Ultimate Fly-Fishing Guide to the Smoky Mountains does more than any other book in print to bring success to a fishing trip. This newly updated landmark volume is an essential guide for anyone planning to fish the rivers, streams, and

lakes in the Smokies — these fisheries are some of the greatest in the nation. For successful fly-fishing, this guide is as important as the right tackle. The first half of this guide offers advice and history. The second half examines each of the 13 watersheds found within the park. Don Kirk and Greg Ward provide information about trail access, fishing pressure and quality, species, fly hatch information, and campsite availability. Phoebe McFarland has just moved back to her hometown of White Oak, Tennessee, a sleepy rural community nestled in the mist-shrouded ridges and isolated hollows of the Smoky Mountains. Now she spends her days working as a rural home health care nurse, making calls on a quirky roster of housebound characters she's determined to take care of whether they cooperate or not. She applies this same optimism to her love life, despite the fact that she's been dating for 38 years without locating any husband material. When she runs into her childhood sweetheart, Henry Matthews, a wildlife ranger for the Great Smoky Mountains National Park, it looks like she might've found her man. But Phoebe and Henry's chance for romance has to be put on hold while they undertake a desperate search for a young woman who mysteriously vanished from the park during a gathering of world famous biologists and botanists, including a charismatic Frog Whisperer. The Smoky Mountain region is an amazing vacation destination: majestic views, wonderful wildlife, thrilling rides, and relaxing walks are all to be found and enjoyed. Activities include relaxing, hiking, shopping, people watching, crafting, backpacking and more. You'll find something to suite every family member's needs or interests. Things to Do in the Smokies with Kids will give you the tips and information you need to explore this popular and picturesque region with confidence. If you don't have time to sort through a 1,000+ page guide then this book is for you. Things to Do in the Smokies with Kids is not all encompassing; every single attraction in the area is not covered. Rather, it's a selective look at family oriented entertainment in the Smoky Mountains that are well worth visiting. The guide

is organized geographically into three main regions (from North to South): Pigeon Forge, Gatlinburg, and the Great Smoky Mountains National Park. Some of the attractions reviewed include: Dollywood Theme Park The Island in Pigeon Forge Smoky Mountain Alpine Coaster Goats on the Roof Ober Gatlinburg Ripley's Aquarium of the Smokies Other tips to improve your vacation while visiting the Smoky Mountain region include: The best roads to take to avoid traffic congestion How to save money on almost every attraction The easiest waterfall to hike to in the national park Free things to do in Pigeon Forge The best Dollywood ticket values This isn't just a compiled list of second hand data from Google searches. This book is full of current information written from an author who has actually been to the region many times (and has the pictures to prove it). Learn about the top sights the entire family will enjoy, essential trip planning tips for traveling with kids, and how to improve your vacation by maximizing your time and dollars. Great Smoky Mountains National Park has a chameleon-like quality, capable of revealing both subtle and some not so subtle changes to the discerning eye. For 30 years, award-winning photographer Richard Mack has tracked and captured the various vistas found in the United States's most visited national park. From the top of Balsam Mountain to the fields of Cades Cove, this exquisite collection of images spans more than three decades and showcases the immense diversity found within Great Smoky Mountains National Park. Noted writer and long-time resident Steve Kemp introduces each section of images, providing an insider's perspective which elevates the story that unfolds through the photographs - whether it's the hard-scrabble life along Roaring Fork or the history of the Native Americans along the Oconaluftee River. It is the captivating images themselves that will draw you back time and again. Richard's view of the park - from the bold seasonal displays to the subtle hues of wildflowers - is exhilarating. His fresh views of familiar landscapes and off-the-beaten-path areas like Cataloochee and Noland Creek are transformed through

his artistry, allowing us to witness each area of the park at the pinnacle of its beauty. Richard Mack ventured into the Great Smokies as an aspiring landscape photographer, and a love affair began. This is where he honed his craft. Today, Richard is an acclaimed, award-winning nature photographer. His images of Great Smoky Mountains National Park, while recognized and rewarded over the years, have never been presented in a comprehensive collection until now.

**Moon Travel Guides: Find Your Adventure** From majestic mountaintops to lush forests and untouched wilderness, take in the best of the Smokies with **Moon Great Smoky Mountains National Park**. **Moon Great Smoky Mountains National Park** features: Itineraries for every timeline and budget, ranging from one day in the park to a week-long trip, including: Best of the Smokies, Family Fun, Escape the Crowds, and Best Hikes Strategies for getting around the Great Smoky Mountains, avoiding crowds, and exploring the less-visited areas of the park In-depth coverage of gateway cities and towns in both Tennessee and North Carolina, including Gatlinburg, Asheville, Pigeon Forge, and Knoxville, as well as worthwhile stops like Cherokee, Bryson City, and Maggie Valley Full-color, vibrant photos and detailed maps throughout Expert tips for travelers looking to go hiking, biking, zip-lining, rafting, and more, plus essential packing and health and safety information The top activities and unique ideas for exploring the park: Cruise along Newfound Gap Road for epic views and scenic overlooks, try your hand at fly-fishing, and enjoy the refreshing solitude of a night camping under the stars. Inside you'll find kid-tested tips on where to go, where to eat, what to see plus information on wildlife, history, activities, sports, and more. Awesome games keep everyone busy when traveling or in between activities. More enchanting tales of the people and events that shaped a young doctor's life and faith during his early practice in the Smoky Mountains. There are places in Bryson City where the smell of home cooking is a little too tempting for an empty stomach. Don't, for instance, pass the Fryemont Inn when the windows are open--not unless you plan to come inside and enjoy fresh-baked rolls, gourmet cooking, and an owner who is as warm and inviting as the food. She's just one of the friendly faces you'll meet in Bryson City Secrets. Told with winsome humor and deep affection, Bryson City Secrets is a story-lover's delight, continuing Dr. Walt Larimore's reminiscences of his early years of country medical practice. Pull up a chair and feast on this rich fare of Smoky Mountain personalities, highland wisdom, and all the tears, laughter, tenderness, faith, courage, and misadventures of small-town life. Before you plan your family's next excursion to the Great Smoky Mountains, get some help from a professional . . . and from your kids! The book lets the kids help plan the trip and guides you as you explore the this beautiful National Park. Inside you'll find kid-tested tips on where to go, where to eat, what to see plus information on wildlife, history, activities, sports, and more. Awesome games keep everyone busy

when traveling or in between activities. The memoirs of a young doctor in his first year of practice in the rural Smoky Mountains describe his relationship with his wife and young daughter, his often humorous experiences with his patients, and the impact of his career on his faith. Reprint. When a mysterious (though familiar looking . . . ) stranger arrives on Deep Creek, he immediately encounters a vast cadre of characters that includes earnest mountaineers, a murderous land baron, a family of treacherous ne'er-do-wells, a beautiful botanist, a Cherokee Indian chief, and a witch. A search for hidden treasures leads a community to erupt into violence while the hero comes to realize that what he truly seeks may be more animal than mineral"--Publisher description. "I'm continually intrigued by the manner in which the natural and human histories of any given region overlap and eventually commingle. That process is ongoing, of course, anywhere one chooses to reside, but in no place I've experienced or read about is there a richer context than here in these mountains." This intriguing collection of intertwined essays results from writer George Ellison's thirty-year fascination with Western North Carolina and its Blue Ridge and Great Smoky Mountains. Gathered into three broad sections--Natural History, Cherokees and Mountaineers--these insightful essays provide a wealth of historic detail and offer a window onto the rich cultural heritage of this stunning and oft-misunderstood part of the country. Through a diverse cast of characters including early explorers and European plant hunters, a Cherokee shaman or two, weather sharps, a hermit, a moonshiner, several writers of note, ornithologists and naturalists, we hear stories in a distinctly Appalachian tone and gain an understanding of mountain life and lore. We develop a new language fit for mountain life, speaking of balds, knobs, gaps, seeps, springheads and shoals, and begin to understand the roots of the names Crooked Arm, Deeplow Gap and the Boogerman Trail. We see the world through the eyes of the ancient Cherokees, for whom the Nantahala Gorge, for example, was a "chasm of horrors" associated

with the "uktena," a mythic serpent from the dreaded Under World. "Come along with Julie, Grant, and their family as they follow Ranger Gus and find poop (scat) and footprints (tracks) and discover which animal made them" -- Back cover. Annually millions of people admire the Great Smoky Mountains National Park's primeval beauty - towering peaks, sparkling cascades, virgin forests, and remarkable variety of wildflowers and shrubs. One of the nation's most popular national parks did not just "come to be" a logical and natural development on federally-owned land. Instead, it was the first national park to be acquired from private owners and given by the people to the federal government. Establishment of the Great Smoky Mountains National Park climaxed an unprecedented crusade that is a story of almost fanatic dedication to a cause, as well as one of frustration, despair, political bias, and even physical violence. Top Trails: Great Smoky Mountains National Park spotlights 50 "must-do" trails for hikers, backpackers, and families visiting the park. From majestic mountaintops to lush forests and untouched wilderness, experience the best of the Smokies with Moon Great Smoky Mountains National Park. Inside you'll find: Flexible itineraries: Unique and adventure-packed ideas ranging from one day in the park to a week-long trip The best hikes in the Great Smokies: Detailed hike descriptions with mileage, duration, elevation gains, and difficulty ratings, plus individual trail maps and options for backpackers Experience the outdoors: Cruise along Newfound Gap Road for epic views from scenic overlooks and watch "smoky" mists rise up through the valleys. Spot local wildlife like 700-pound elk, black bears, and vast herds of white-tailed deer. Savor the refreshing solitude of a night camping under the stars or enjoy a twinkling light show from Elkmont's synchronous fireflies. Trek a segment of the Appalachian Trail, wander through remnants of the region's historic settlements, or try your hand at fly-fishing Take a break: Unwind after a day of adventure at one of the trendy craft breweries that earned Asheville the title of "Beer City USA." Head to Dollywood for square-dancing,

catching a show, or gliding down the lazy river at Splash Country. Soak in the sweet sounds of Tennessee's music scene, sample some fiery moonshine, or shop for Appalachian folk art How to get there: Up-to-date information on gateway towns, park entrances, and tours Where to stay: Campgrounds, resorts, and more, both inside and outside the park Helpful resources on Covid-19 and traveling to Great Smoky Mountains National Park Planning tips: When to go, what to pack, safety information, and how to avoid the crowds, with full-color photos and detailed maps throughout Expertise and know-how: Explore the park with nature lover and Smoky Mountains expert Jason Frye Find your adventure in Great Smoky Mountains National Park with Moon. Hitting more of North America's national parks? Check out Moon USA National Parks. Road-tripping? Try Moon Drive & Hike Appalachian Trail or Moon Blue Ridge Parkway Road Trip. About Moon Travel Guides: Moon was founded in 1973 to empower independent, active, and conscious travel. We prioritize local businesses, outdoor recreation, and traveling strategically and sustainably. Moon Travel Guides are written by local, expert authors with great stories to tell—and they can't wait to share their favorite places with you. For more inspiration, follow @moonguides on social media. Focusing on the Great Smoky Mountains--America's most-visited national park--this book is full of useful information for fly fishers curious to learn more about flies and fly patterns. • Collects the best fly-fishing knowledge from both contemporary tiers and "old timers" • Recounts the history of fishing in the Great Smoky Mountains • Provides a comprehensive overview of the best hatches and matches for aquatic insects
