reasoning power b the power to imagine conception 3 something that is
thought as a an individual act or product of thinking b a developed
intention or plan he had no thought of leaving home c something as an
opinion or belief in the mind thought noun c or u uk ???t us ???t b1
the act of thinking about or considering something an idea or opinion
or a set of ideas about a particular subject ask me again tomorrow i
ll have dec 12 2022 a positive person can enjoy happiness and success
since he believes that he can easily overcome all the obstacles and
difficulties that come his way not all people generally agree with
positive thinking some people consider it nonsense however thought 1
??t n 1 the product of mental activity that which one thinks a body of
thought 2 a single act or product of thinking idea or notion to
collect one s thoughts 3 the act or process of thinking mental
activity reflection or cogitation 4 the the act or process of thinking
mental activity thought as well as action wearies us the capacity or
faculty of thinking reasoning imagining etc all her thought went into
her work a thought thought is the process of using your mind to
consider something it can also be the product of that process an idea
or just the thing you re thinking about thought can also refer to the
organized beliefs of a period individual or group if you re writing an
essay about the reformation you ll probably want to summarize early
catholic thought regarding free will and in a slightly different sense
the term thought refers not to the mental processes themselves but to
mental states or systems of ideas brought about by these processes
various theories of thinking have been proposed some of which aim to
capture the characteristic features of thought how does the noun

thought contrast with its synonyms some common synonyms of thought are conception concept idea impression and notion while all these words mean what exists in the mind as a representation as of something comprehended or as a formulation as of a plan thought is likely to suggest the result of reflecting reasoning or meditating rather than of feb 9 2012 thoughts can be idea like memory like picture like or song like they are usually short lived discrete events unlike continuous events such as the constant murmurs of air conditioners or
