A memoir from the former porn star and addict Jennie Ketcham, whose stage name was Penny Flame. Columns on political, social, religious, and cultural issues in Malaysia; previously published in Berita harian daily under pen name Kunta Kinte, 1987-1993. A “psychologically acute and boldly plotted” tale of a wealthy, dysfunctional family in Malaysia (Booklist, starred review). Set in Malaysia, this internationally acclaimed debut novel offers an unflinching look at relationships between parents and children, brothers and sisters, the wealthy and poor, a country and its citizens—all through the eyes of the prosperous Rajasekharan family. When Chellam, the family’s rubber-plantation-bred servant girl, is dismissed for unnamed crimes, her banishment is the latest in a series of losses that have shaken six-year-old Aasha’s life. A few weeks before, Aasha’s grandmother Paati passed away under mysterious circumstances and her older sister, Uma, departed for Columbia University—leaving Aasha to cope with her mostly absent father, bitter mother, and imperturbable older brother. Moving backward and forward in time, Evening Is the Whole Day explores the closely guarded secrets that haunt the Rajasekharans: What was Chellam’s unforgivable crime? Why was Uma so intent on leaving? What did Aasha see? And, underscoring all of these mysteries: What ultimately became of her father’s once-grand dreams for his family and his country? “A delicious first novel . . . [Samarasan’s] ambitious, spiraling plot, her richly embroidered prose, her sense of place, and her psychological acuity are stunning.” —The New York Times Book Review “A surpassingly wise and beautiful debut novel about the tragic consequences of the inability to love.” —Booklist, starred review “The language bursts with energy.” —Publishers Weekly This book describes one of our closest relatives, the orangutan, and the only extant great ape in Asia. It is increasingly clear that orangutan populations show extensive variation in behavioural ecology, morphology, life history, and genes. Indeed, on the strength of the latest genetic and morphological evidence, it has been proposed that orangutans actually constitute two species which diverged more than a million years ago - one on the island

of Sumatra the other on Borneo, with the latter comprising three subspecies. This book has two main aims. The first is to carefully compare data from every orangutan research site, examining the differences and similarities between orangutan species, subspecies and populations. The second is to develop a theoretical framework in which these differences and similarities can be explained. To achieve these goals the editors have assembled the world's leading orangutan experts to rigorously synthesize and compare the data, quantify the similarities or differences, and seek to explain them. Orangutans is the first synthesis of orangutan biology to adopt this novel, comparative approach. It analyses and compares the latest data, developing a theoretical framework to explain morphological, life history, and behavioural variation. Intriguingly, not all behavioural differences can be attributed to ecological variation between and within the two islands; relative rates of social learning also appear to have been influential. The book also emphasizes the crucial impact of human settlement on orangutans and looks ahead to the future prospects for the survival of critically endangered natural populations. 'Reading [Tell Me What You Want] may be the best thing you ever do for your sex life, your relationships and your self-acceptance' - Geoffrey Miller, author of *The Mating Mind*, *Spent*, and *Mate* What do we really want when it comes to sex? How can we break the barriers that prevent us from communicating about our desires? Justin J. Lehmiller, a leading expert on human sexuality and author of the popular blog *Sex and Psychology*, has made it his career's ambition to answer these questions. Based on his monumental two-year study of sexual fantasies involving more than 4,000 people from all walks of life, *Tell Me What You Want* offers an unprecedented look into our fantasy worlds and what they reveal about us. It will help you to understand your own sexual desires and how to attain them within your relationships, but also to appreciate why your partner may have sexual proclivities that are so different from your own. Appreciating the incredible diversity of human sexual desire and why this diversity exists in the first place can help you to overcome distress, anxiety and shame about your own sexual fantasies; ultimately enhancing your sex life. Breaking down barriers to discussing sexual fantasies and allowing them to become a part your sexual reality is the pathway to maintaining more satisfying relationships. (Terfaktab Media) Here is a portrait of Emily Carr, a fine literary work that is impressionistic rather than exact, betraying the artist intact in spirit, fortitude, and legacy. Yuan was born with an incurable illness that left him blind at a young age and crippled a few years later, rendering everything below his head useless. Deemed hopeless and irredeemable, his parents quickly gave up on him, and the world ignored him. In this dark and still world, his younger sister became his sole reason for living. Watch as this young man reaches for the apex as a genius in *Cultivation Online*, the newest VRMMORPG, becoming a legendary figure in both worlds. ----- Disclaimer: The MC is extremely overpowered and talented but also naive/innocent at first due to his illness. If you cannot wait for character developments and dislike OP MCs, this is not your cup of tea. Furthermore, the 'Earth' in this novel is not the same Earth we are currently living on so do not use our common sense for this novel. This is pure fantasy, after all. ----- My other novels: *Dual Cultivation/ Inferior Cultivation System* Nazi Goreng is a disturbing story of one young Malay man's coming-of-age in the big city and offers a stunning portrait of the racial tensions that pervade Malaysian society. *Asrul* is a fanatical yet naïve Muslim skinhead from small town Kedah, who finds escape in hardcore punk and aspires to life in the big city. After *Asrul* is recruited

by friend Malik to join a neoNazi skinhead gang, the boys move to Penang to realise their racially fuelled teenage dreams. Petty acts of ethnic violence against immigrant workers and minority groups in the name of Kuasa Melayu (Malay Power) earn Asrul limited social empowerment and occasional ridicule, so it is not without trepidation that he follows Malik again, this time into the seedy world of the Malaysian narcotics trade, where selling drugs offers quick money and street respect. Surrounded by corrupt police officials, shifty Iranians, guntoting Nigerians and a sexy drug mule from mainland China, Asrul soon finds himself drawn into a downward spiral that makes him question his friends, his loved ones and his core beliefs. In this intense and gripping debut, Asiabased punk rock guitarist Marco Ferrarese dishes up a powerful portrayal of displaced urban Malay life. Life is changing for Amy and her friends. A romance blossoms between Tammie and Schaefer, and Zeph reveals his feelings for Amy. But when Amy discovers new information about Oliver and a mysterious military organization, it threatens to come crashing down on her friends, with tragic results. Bestselling author and Zen Master Thich Nhat Hanh transforms an ancient folktale into a timeless parable of a young woman who dares to risk her life for her faith. Born to an aristocratic family in rural Vietnam, Kinh Tam's uncommon beauty and intelligence were obvious to all she encountered. From an early age she was drawn to the teachings of Buddha and the rewards of a monastic life, but to please her family she agreed to walk the traditional path of marriage. Throughout her marriage, Kinh Tam's mind was devoted to her husband but her heart never wavered from her true calling. She wanted to be a monk. And yet Buddhism was still new to Vietnam and temples accepted only men for ordination. Making a decision that would forever change her life, Kinh Tam left town, disguised herself as a man, and joined a monastery as a novice. Despite the many challenges of living as a man, Kinh Tam thrived and became a beloved member of the community. Years of profound joy and peace passed until a local woman accuses the novice of fathering her unborn child. Kinh Tam is torn between two impossible choices: keep her secret and endure brutal punishment or reveal the truth that would prove her innocence but put an end to her spiritual path. Facing the unbearable with the boundless heart of Buddha, her choice forever changes her life, her country, and her faith. In spare, elegant prose, Thich Nhat Hanh reminds us that we, too, face our own injustices and suffering, and by connecting with love, we can, like Kinh Tam, discover a mind and heart that are peaceful, happy, and free. In August 2014, Farida, like any ordinary teenage girl, was enjoying the summer holidays before her last year at school. But Farida lived in the mountains of northern Iraq - and what happened next was unimaginable. Her village was an ISIS target. ISIS jihadists murdered the men and boys, including her father and brother, before taking Farida and the other women prisoner. This is the story of what happened to Farida after she was captured: the beatings, the rapes, the markets where ISIS sold women like cattle, and Farida's realisation that the more resistant she became, the harder it was for her captors to continue their atrocities against her. So she struggled, she bit, she kicked, she accused her captors of going against their religion, until, one day, the door to her room was left unlocked. She took her chance and, with five younger girls in her charge, fled into the Syrian desert. Farida showed incredible courage in the face of the unthinkable, and now with *The Girl Who Beat ISIS* she bravely relives her story to bear witness. Searing and immediate, this is the first memoir by a young woman that shows first-hand what life is like for innocents caught up in the maelstrom of day-to-day life with ISIS.
