The American Heritage History of the 20's & 30's Apr 21 2022 " ... the story of the changes that came to America ... in the years between the two World Wars. At first, as the 1920's dawn, there is the ultraconservatism that rejects Wilson's League of Nations, amends the Constitution to prohibit the sale of alcoholic beverages, suspects every immigrant of being a Red, and places TWK (meaning Trade With the Klan) stickers in merchant-members' shop windows. Then Henry Ford mass-produces flivvers that cost as little as \$290, women get the vote, girls get a new concept of morality, and a freewheeling, flask-toting citizenry begins its surge to hedonism. They have plenty of examples to emulate: public officials get rich on purloined Navy oil while the President whom they betray dallies in the 'Little White House on H Street' or with his paramour in a little White House

closet, the high jinks of high society and Hollywood are amply reported by a sensation-seeking press, the advertising fraternity urges everyone to keep up with the Joneses and endows [them] with everything. The great euphoria reaches its climax with the stock market crash ... Here you see what America was like when factories lay idle and old newspapers become 'Hoover blankets' for evicted families; when angry farmers gathered at foreclosure sales with pitchforks and shotguns to fight for their land; when the International Apple Shippers' Association offered apples on credit to the jobless to sell for five cents apiece on city streets; when Franklin Roosevelt said, 'This nation asks for action, and action now.' and started the kind of action that kept him in the White House for the rest of the Thirties and beyond. To be sure, there were many during those decades who did not drink bathtub gin and hanker for the sinful ways of the city, who were not wiped out by the economic downturn, did not hate 'that man in the White House.' These people are here too, some baffled, some belligerent, all caught in the crosscurrents of a nation in transition."--Jacket flaps.

Wikipedia @ 20 Oct 15 2021 Wikipedia's first twenty years: how what began as an experiment in collaboration became the world's most popular reference work. We have been looking things up in Wikipedia for twenty years. What began almost by accident--a wiki attached to an nascent online encyclopedia--has become the world's most popular reference work. Regarded at first as the scholarly equivalent of a Big Mac, Wikipedia is now known for its reliable sourcing and as a bastion of (mostly) reasoned interaction. How has Wikipedia, built on a model of radical collaboration, remained true to its original mission of "free access to the sum of all human knowledge" when other tech phenomena have devolved into advertising platforms? In this book, scholars, activists, and volunteers reflect on Wikipedia's first twenty years, revealing connections across disciplines and borders, languages and data, the professional and personal.

Survivor In Death Feb 19 2022 Lieutenant Eve Dallas must solve the murder of a seemingly ordinary family, and protect one small, terrified survivor in this novel in the #1 New York Times bestselling In Death series. No affairs. No criminal connections. No DNA. No clues. Lieutenant Eve Dallas may be the best cop in the city—not to mention having the lavish resources of her husband Roarke at her disposal—but the Swisher case has her baffled. The family members were murdered in their beds with brutal, military precision. The state-of-the-art security was breached, and the killers used night vision to find their way through the cozy middle-class house. Clearly, Dallas is dealing with pros. The only mistake they made was to overlook the nine-year-old girl cowering in the dark in the kitchen—Now Nixie Swisher is an orphan—and the sole eyewitness to a seemingly inexplicable crime. Kids are not Dallas's strong suit. But Nixie needs a safe place to stay, and Dallas needs to solve this case. Not only because of the promise she made to Nixie. Not only for the cause of justice. But also to put to rest some of her own darkest memories—and deepest fears. With her partner Peabody on the job, and watching her back—and with Roarke providing the kind of help that only he can give—Lieutenant Eve Dallas is running after shadows, and dead-set on finding out who's behind them.

Blue at the Mizzen (Vol. Book 20) (Aubrey/Maturin Novels) Nov 28 2022 "The old master has us again in the palm of his hand."—Los Angeles Times (a Best Book of 1999) Napoleon has been defeated at Waterloo, and the ensuing peace

brings with it both the desertion of nearly half of Captain Aubrey's crew and the sudden dimming of Aubrey's career prospects in a peacetime navy. When the Surprise is nearly sunk on her way to South America—where Aubrey and Stephen Maturin are to help Chile assert her independence from Spain—the delay occasioned by repairs reaps a harvest of strange consequences. The South American expedition is a desperate affair; and in the end Jack's bold initiative to strike at the vastly superior Spanish fleet precipitates a spectacular naval action that will determine both Chile's fate and his own.

The Coming of Cassidy and Bar-20 Jun 23 2022 The Coming of Cassidy by Clarence E. Mulford Buck Peters put everything he owned into the Bar-20 and thought he could make a go of it. It looked pretty good too, until he fell in with that gang of renegade buffalo hunters. There were after his spread, his cattle, his life. And they swore to let nothing stand in their way. And then they met a cowhand named Cassidy... Bar-20 by Clarence E. Mulford Cassidy could fan a gun like a Billy the Kid. Six rounds in three seconds was his slowest time. No one in the state of Texas could beat him. That was, until he met Slim Travennes, head of the Sandy Creek Vigilante Committee. Slim was snake-fast. "Death with a little skin wrapped around it," was the way the tinhorn in Waco described him. No man could go up against him and live. Hoppy could stand or die. He had no other choice.
