The author tackles the complex theological questions: If God is sovereign, why pray? If prayer is not a way to change God's mind, what is it? Prayer is a way, Jennifer illustrates, for God to send His power and provision into the world through His people. The study takes a detailed look at prayer's purpose, process, promise, and practice. —Dan B. Allender, PhD, author of *Bold Love* This new edition includes an expanded chapter on using the practical “prayer cards”—a hallmark of the teaching found in *A Praying Life*—and a chapter on the need and use of prayers of lament. Prayer is so hard that unless circumstances demand it—an illness, or saying grace at a meal—most of us simply do not pray. We prize accomplishments and productivity over time in prayer. Even Christians experience this prayerlessness—a kind of practical unbelief that leaves us marked by fear, anxiety, joylessness, and spiritual lethargy. Prayer is all about relationship. Based on the popular seminar by the same name, *A Praying Life* has disciplined thousands of Christians to a vibrant prayer life full of joy and power. When Jesus describes the intimacy He seeks with us, He talks about joining us for dinner (Revelation 3:20). *A Praying Life* feels like having dinner with good friends. It is the way we experience and connect to God. In *A Praying Life*, author Paul Miller lays out a pattern for living in relationship with God and includes helpful habits and approaches to prayer that enable us to return to a childlike faith.
