The focus of this book is beginners - particularly those who are having a hard time picking up the guitar. One crucial aspect of learning any skill is guidance, and this equally applies to learning to play the guitar. As a beginner, you need to know how to hold your guitar properly string your guitar tune your guitar essential guitar accessories finger exercises how to read a guitar tab basic chords to know and many more..... Guitars have become more popular since the start of the 20th century. Many thanks to great guitarists like Jimi Hendrix, Jimmy Page, Brian May, Eric Clapton, and many others. Guitars are relevant in almost all genres of music; classical, folk, jazz, country, Brazilian, African, metal, etc. The guitar is usually considered a solo instrument, howbeit, most times, it is played as an accompaniment because of the harmonious effect it has (because you can play chords as opposed to instruments like trumpet or saxophone where you can only play a single note at once). Don't waste your time!... grab a copy of this book and learn how to play Guitar in an easy way! This easy-to-use visual guide includes every chord you can imagine!
